NOTES

The sweepstakes record is as complete as I can make it now. Many shows have sent in their reports at the last minute and I was able to include them – tho I had to do them by hand. I am still not pleased with the cavy points and ask your indulgence on these. As cavy points are tallied differently, and some programs seem to like to do them like rabbits, I have had some problems here. Hopefully that is now fixed.

Check to make sure your name is listed correctly: Youth as youth and adults as open. In some families I have adult names but the kids are not listed. Its OK if that's the way you want it but points are counted only if the person is listed on the membership application. If you show in a partnership (as in Brown/Green) you must ALWAYS put that on the entry form as well as have your membership that way.

Sweepstakes pins had to be ordered before the end of December. The late reports changed some of the awards. I will order any that are missing, but you may not get them at convention, just shortly afterwards.
